2013 ANNUAL REPORT

MHEFA
Missouri Health & Educational
Facilities Authority

Mission Statement

The Mission of the Health and Educational Facilities Authority of the State of Missouri is to provide access to the capital markets in an effort to lower the cost of health and educational services in Missouri by providing high quality, readily available, low cost financing alternatives for Missouri public and private, nonprofit health and educational institutions.

The Health and Educational Facilities Authority of the State of Missouri, created by an Act of the Missouri General Assembly and operational in 1979, is empowered to make loans to any participating health or educational institution and to refund outstanding obligations, mortgages or advances issued, made or given for the cost of facilities.

The Authority assists not-for-profit institutions in borrowing funds at the lowest possible cost to provide quality medical and educational services to Missouri residents. Interest paid on Authority bonds and notes is exempt from federal and Missouri state income taxation, resulting in materially lower interest rates for substantial savings on financing cost.

Many types of health care and educational institutions across the state receive financing assistance from the Authority. Health care financings have been arranged for health facilities ranging from fewer than 100 to over 1,000 beds, including acute and primary care facilities, teaching and

research centers, osteopathic hospitals, retirement and nursing homes, specialized care centers and alcoholic rehabilitation treatment centers. Educational financings include public universities, liberal arts colleges, major research universities and medical schools, institutions of specialized instruction, public school districts, private elementary and secondary schools and charter schools.

During 1985 the Authority became authorized to assist public school districts and community colleges with loans to fund shortfalls in operating funds during the school year. Higher education institutions also can be assisted with cash flow shortages.

In 1988, the Authority issued a series of bonds designed to assist organizations that provide care for persons affected by mental disabilities.

During 1995, the Authority was charged with developing guidelines for and the administration of the Direct Deposit

Authority Membership

The Act provides for seven members appointed by the Governor of the State of Missouri, with the advice and consent of the Senate. Each member must be a resident of the State and no more than four members may be of the same political party. Members are appointed for five year terms. Members continue to serve after expiration of their term until a successor is appointed or they are reappointed.

Program, which provides strong credit ratings for Missouri school districts. The Authority also developed the HELP Program, which provides low interest loans to small and/or rural health care and educational facilities.

The Authority's bonds and notes do not constitute a debt or liability of the State of Missouri or of any political subdivision thereof, within the meaning of any State constitutional provision or statutory limitation. The Authority has no taxing power. The credit supporting any Authority note or bond issue is the credit of the individual borrowing institutions. The bonds and notes are limited obligations of the Authority payable solely from payments made by the borrowing institution.

The validity of the Authority's Act was upheld by the Missouri Supreme Court in Menorah Medical Center vs. Health and Educational Facilities Authority of the State of Missouri 584 S. W. 2d 73 (MO 1979).

Annual Report 2013

Chair's Letter

The Health and Educational Facilities Authority of the State of Missouri (MoHEFA) has just completed 35 years of providing low-cost financing options and efficient access to the capital markets for Missouri's health and educational institutions. Its Board Members and staff are proud to offer this Annual Report of the Authority's activity in 2013 and throughout its history. During 2013 MoHEFA saw the continuing trend of heavy volume of both number of transactions and dollar issuance, with 20 issues totaling \$1,032,755,945. This third consecutive year of increased activity is an indication of improving economic conditions and increased confidence in the capital markets. It has been a pleasure as always to work with the long list of superb health and educational facilities in Missouri and to assist them in meeting vital financing needs.

Each year is different but includes a wide range of transactions; from small direct purchase placements of a few million dollars, to large publicly-sold bond issues totaling hundreds of millions of dollars; for borrowers located throughout the State in its metropolitan areas and in the smallest rural communities. The Members were thrilled to issue bonds in 2013 for two new borrowers which had not previously used the Authority, Culver-Stockton College in Canton and Mary Institute & St. Louis Country Day School in St. Louis.

MoHEFA has worked diligently for 35 years, completely self-funded with no tax support, providing various capital alternatives for over 130 Show-Me State health and educational providers located in 65 Missouri cities and towns. And, as described in our Annual Report, MoHEFA has been proactive in providing creative self-funded lending programs to smaller health and educational institutions.

The Board and its staff stand ready to move forward to continue to facilitate financings designed to lower the cost of health care and educational services, develop and support jobs and serve the citizens of Missouri and surrounding regions.

Joseph A. Cavato
Chair of the Authority

MICDS –
(Mary Institute Country Day School)

Authority Members

Annual Report
2013

JOSEPH A. CAVATO – Chair

Mr. Cavato, a resident of University City, Missouri is the principal and owner of JAC Consulting, LLC, providing consulting and advisory services to local governments, non-profit agencies and real estate development entities. Services include program management, real estate and development planning, project management, financial advisory and intergovernmental relations. In addition to his long professional career in government and finance, Mr. Cavato has been active in the community as an advisor, volunteer and board member of a number of educational, non-profit, religious and governmental entities, including Cardinal Ritter College Prep High School and Beyond Housing. He currently maintains an active role as a member of the Board of Trustees of the White House Retreat Center and as a Member of the Policy Committee of FOCUS-St. Louis Term as a Member expired July 30, 2013.

THOMAS E. GEORGE – Vice Chair

Mr. George, a resident of St. Louis, Missouri is President of the International Brotherhood of Electrical Workers (IBEW) Local One in St. Louis. Prior to serving as President since 1998 he served various other roles for Local One including Registrar, Instructor, Business Agent, Organizer and as Trustee for several different funds. He is a lifelong Journeyman Wireman. In addition to his professional career, Mr. George was elected to four terms as a Member of the Missouri House of Representatives from the 74th district representing a portion of north St. Louis County. He was Chairman or Vice Chairman of the Labor Committee, Workforce Development and Workplace Safety Committee and the Municipal Corporation Committee. His other committee memberships included Missouri Job Training Legislative Oversight; Local Government; Appropriation – Natural and Economic Resources; Insurance; Communications, Energy and Technology; and Employment Security and Unemployment Benefits Workers Compensation. He has been honored as the Thomas F. Eagleton Grassroots Democrat of the Year. Mr. George also served six years with the 138th Infantry of the Missouri National Guard. Term as a Member expires July 30, 2015.

JUDITH W. SCOTT – Treasurer

Judith W. Scott of Poplar Bluff, Missouri, is the Executive Director of the Three Rivers Community College Foundation. She is a graduate of Stephens College and The University of Missouri and has more than 35 years of experience as a college educator and administrator. Under her leadership The Three Rivers Community College Foundation facilitated the construction of the \$3.5 million E.K. Porter Distance Learning Center opened in the spring of 2004. Mrs. Scott received the Governor's Award for Excellence in Teaching, was awarded the Distinguished Alumni Award from the College of Arts and Sciences at The University of Missouri and received the Faculty-Alumni Award from the MU Alumni Association. She is a charter member of the Griffiths Leadership Society for Women at The University of Missouri, and in 2006 received the National Institute for Staff and Organization Development (NISOD) Excellence Award. She has been appointed to serve on several statewide boards, including an appointment by Governor John Ashcroft to the Missouri Lottery Commission, a position she held from 1991-96. Governor Christopher Bond appointed Mrs. Scott to the Missouri Health and Educational Facilities Authority (MoHEFA) where she served from 1984-1991. In 2007 Governor Matt Blunt appointed her to her current MoHEFA term. Mrs. Scott and her family are members of Poplar Bluff's First United Methodist Church where she participates in educational activities. Term as a Member expired July 30, 2011.

SARAH R. MAGUFFEE – Member

Sarah R. Maguffee of Columbia, Missouri, is an attorney and Adjunct Professor of Law, University of Missouri School of Law. She is a former partner at Husch Blackwell, LLP, in Jefferson City, Missouri, where she practiced law from 1996 to 2009, when she left to become a stay-at-home mother. At Husch, Ms. Maguffee successfully counseled clients from such diverse industries as banking and finance, construction and land development, and manufacturing, regarding federal, state, and local environmental, health, and safety compliance, audits, self-reporting of violations, and enforcement actions. She also advised clients regarding environmental issues that arise in commercial transactions, including real estate deals and bankruptcy. Prior to joining Husch, Ms. Maguffee practiced law in Washington, D.C., where she represented chemical manufacturers and transporters on a variety of legislative, regulatory, and enforcement issues. A graduate of Bates College and the University of Michigan Law School, Ms. Maguffee served on the Board of Directors of the Food Bank for Central & Northeast Missouri for 9 years, the last 2 as Board President. She is currently President of the Board of Directors of the Mary Lee Johnston Community Learning Center in Columbia. She is active in King's Daughters and several other civic and charitable organizations. Governor Jay Nixon appointed Ms. Maguffee to the Missouri Health and Educational Facilities Authority. Term expired July 30, 2013.

KEVIN L. THOMPSON, CPA – Member

Mr. Thompson, a resident of Elsberry, Missouri is the Chief Financial Officer/Chief Operating Officer for Cambridge Engineering in Chesterfield, Missouri. Since 1963, Cambridge Engineering has been the performance leader in industrial space heating and make-up air equipment. From 1989 to 2007, Mr. Thompson was employed by Coin Acceptors, Inc, a global manufacturer of cash management and vending equipment based in St. Louis, Missouri, most recently serving as its Vice President/Treasurer and Chief Financial Officer. With over 1,300 employees, Coin Acceptors has operations in 25 different locations worldwide. Mr. Thompson holds a Master's of Science in Taxation from Fontbonne University and is a certified public accountant in Missouri and Arkansas. He is a member of the American Institute of Certified Public Accountants and the Missouri Society of Certified Public Accountants, and is active with many civic and community organizations, having held various leadership positions with the Clayton Chamber of Commerce, the St. Louis Art Fair, Mid-County Family YMCA, the YMCA of Metropolitan St. Louis, Financial Executives Institute, Circus Flora, Camp Ne-O-Tez, The Sparrows Nest and the Harding University President's Development Council. Term as a Member expired July 30, 2009.

Financing Options

Annual Report
2013

The Authority assists health care and educational institutions in financing equipment purchases and capital projects at the lowest possible cost. Financing options that the Authority offers to Missouri institutions consist of the following debt instruments:

VARIABLE FLOATING RATE BONDS

While these instruments have a nominal long-term maturity, the interest rate is adjusted periodically (usually daily or weekly). The borrower is able to take advantage of low short-term rates, but also, if conditions warrant, to lock in a fixed interest rate without many of the costs associated with a new issuance of bonds. During 2013, weekly adjustable rates ranged from a low of .06% to a high of 0.26% with an average rate of .13%.

FIXED RATE SHORT TO INTERMEDIATE TERM BONDS

A variation of traditional fixed rate long-term bonds, these fully amortized bonds are for borrowers who desire shorter prepayment provisions and can generate sufficient revenues to retire the principal over a shorter maturity. The bonds are generally issued for periods ranging from 10-15 years, with a 5-8 year prepayment provision.

FIXED RATE LONG-TERM BONDS

These traditional 20 to 60 year fully amortized term bonds are issued at prevailing market rates. This type of instrument offers the security of fixed rates and the opportunity to stabilize interest costs in a volatile market while matching a longer term liability with the expected useful life of the asset.

FLOATING OR FIXED RATE NOTES

The interest rate on these one to two year notes either floats, with the rate adjusted periodically, or is fixed for its term. The borrower is able to take advantage of lower interest rates while planning long-term financing according to projected needs.

REFUNDING OF PRIOR DEBT

Health care and educational institutions often refinance to take advantage of lower interest rates in the market place than existed at the time of prior financing.

Similarly, such institutions often wish to avoid restrictive covenants or collateral requirements contained in a prior financing that would no longer be necessary in a new financing. The Authority has the ability to issue "refunding bonds" which can accomplish these goals. Such bonds often can be issued to refund the institution's obligations even if the Authority was not involved in the original financing. Such "refundings" may, depending on the terms of the prior financing and what is advantageous at the time, either be "current" refundings in which the prior debt is paid off within 90 days of the issuance of the new bonds, or "advance" refundings in which the proceeds of a new bond issue are placed in escrow to pay off the old bonds at some designated time in the future. The Tax Reform Act of 1986 placed restrictions on advance refundings, yet most institutions are still able to take advantage of this financing technique.

University of Central Missouri

Advocates - Jordan Valley Community Health Center

MISSOURI SCHOOL DISTRICT ADVANCE FUNDING PROGRAM

In 1985 the Authority and the Missouri School Boards Association established the Missouri School District Advance Funding Program to provide the lowest cost financing available for Missouri school districts and public community junior colleges to fund any cash flow deficits that might occur in their various funds during the fiscal year. Some of the advantages of participating in the program include low borrowing rates, high investment rates, costs of issuance shared by all participants and easy access to funds. Since 1985, almost \$1.18 billion has been loaned to participants under the Advance Funding Program.

HELP! PROGRAM

The Authority, recognizing the difficulty that small providers of health care and educational services experience obtaining adequate financing for their capital needs, in 1995 created the HELP! Program to provide these organizations access to low cost loans.

Through the HELP! Program, the Authority loans up to \$400,000 for a maximum of ten years at attractive interest rates to small health care and educational providers. 36 institutions have taken advantage of the benefits of this program for a total of over \$8.9 million in loans.

HIGHER EDUCATION WORKING CAPITAL LOAN PROGRAM

During 1997, the Authority established the Higher Education Working Capital Loan Program to help alleviate cash flow difficulties that are typically experienced during part of each fiscal year by higher educational institutions. The Program allows participating institutions to borrow money under an advance funding agreement to provide funds during that portion of its current fiscal year when funds are not yet on hand to pay expenses as incurred.

As of December 31, 2013, \$243.2 million of notes have been issued under this program.

LifeFlight Eagle

DIRECT DEPOSIT PROGRAM

In 1995, the Missouri Legislature adopted Senate Bill No. 301 which sets forth the development of a program to assist Missouri school districts with their financing needs. The Direct Deposit Program, administered by the Authority, provides a major benefit to school districts issuing general obligation bonds.

In an effort to improve the credit quality of all school districts in Missouri, the Program, effectively, provides for credit enhancement by authorizing the direct deposit, by the State of Missouri to a bank serving as trustee, of a portion of state aid payments that would otherwise be paid directly to the involved school district. The direct deposit amount is equal to debt service on the school district bonds. This procedure results in a credit rating in the second highest rating category (i.e. "AA+"), resulting in attractive interest rates on the bonds at no additional cost to the participating district.

As of June 30, 2013 2,016 financings have been processed through the program, representing \$11 billion of bonds issued benefiting school districts in 107 of 114 Missouri counties and the City of St. Louis.
